The Greater Morristown YMCA will be hosting our 36th Annual Golf Outing on Monday, September 8th, 2025, at Spring Brook Country Club in Morristown.

This day brings over 100 business leaders from the Morris County area together to aid in the Y's Annual Support Campaign, which provides direct financial assistance to underserved children, families, seniors, and the disabled in our community.

Please consider participating in this event where 100% of the proceeds go directly to finance our Annual Support Campaign fund, enabling the Greater Morristown YMCA to assure our services are available to all people, regardless of their background or ability to pay.

The following are just some of the many programs that donations to the YMCA support: scholarships to our summer camp; life saving swim lessons for the underprivileged local youth; scholarships to help local working families afford preschool and afterschool care at our centers; membership assistance for seniors, handicapped individuals, and families in need. Additionally, many Morris County social service agencies such as Jersey Battered Women's Shelter, Deirdre's House, and Homeless Solutions come to the Y for support with their most difficult cases and we never turn them away.

On behalf of the Greater Morristown YMCA, Board of Directors, and the many children and families that we help thank you in advance for your support.

**The Greater Morristown YMCA
Golf Committee**
