FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

November 20th, 2025

Dear Members,

Hanover Township has just notified us that important roadwork is scheduled to take place on Horsehill Road over the next few days that will directly impact your access to the Greater Morristown YMCA.

Milling – Friday, November 21

Milling is scheduled to begin tomorrow at approximately 7:00 AM and is expected to conclude by 2:00 PM. We anticipate minimal disruption during this phase, and uniformed officers will be on-site to assist with traffic flow.

Paving – Monday, November 24 (Major Impact)

On Monday, November 24, Horsehill Road from East Hanover Avenue to just beyond the YMCA driveway will be completely closed starting late morning, around 11:00 AM for paving.

No vehicles will be able to enter or exit the YMCA once the closure begins until the new pavement is fully set and cooled. Unfortunately, we were not provided with a specific reopening time, but hopefully by 3:00 PM.

Important Notes for Members

Members arriving after 11:00 AM on Monday will not be able to access our driveway.

For members who still choose to come to the Y should plan to park on Saddle Road (not at the Richard F. Blake Children's Center) to avoid being stuck in the lot until the paving is complete.

The Richard F. Blake Children's Center driveway will remain accessible via Ridgedale Road, and families and staff have been notified separately.

We will continue to share updates on Monday via email blasts. Please also check our website at www.greatermorristownymca.org or call 973-267-0704 for updates.

Thank you for your patience and understanding as the township completes this necessary road improvement.

If you have any questions, please feel free to reach out to us.

Sincerely,
Greater Morristown YMCA
