

Dear Members,

It's hard to believe, but our annual shutdown is around the corner, and we wanted to keep you informed as to what you can expect.

After 16 years of wear and tear, we are excited to announce that we will be resurfacing both the swimming pool and whirlpool. We will also be taking the opportunity to install for added safety, a visible, tiled line, delineating the end of the shallow end, and the start of the deep end.

Due to the scope of this project, the pool, whirlpool, and steam room, will be closed to membership after closing on **Friday, August 16th**, reopening **Monday, September 16th**, which coincides with the first day of swim lessons. The deep clean of the surrounding pool deck will also take place at the conclusion of the resurfacing project. We have allocated four weeks for the project to be completed, however, we are hopeful that we will be able to open sooner. The end result will leave the aquatics arena with a fresh, clean look, for many years to come.

During this time, the pool, whirlpool, and steam room will be off-limits. For those who wish to swim laps during our closure, we have reached out to other YMCAs in the area, and they are happy to welcome you to their facilities during the below posted dates.

<b>Local YMCAs</b>	<b>Dates Their Pool is Available to Our Members</b>
<b>West Morris Area YMCA</b> 14 Dover Chester Road, Randolph, NJ 07869	<b>September 5<sup>th</sup> to September 16<sup>th</sup></b>
<b>Madison Area YMCA</b> 111 Kings Road, Madison, NJ 07940	<b>September 7<sup>th</sup> to September 16<sup>th</sup></b>
<b>Lakeland Hills Family YMCA</b> 100 Fanny Road, Mountain Lakes, NJ 07046	<b>September 9<sup>th</sup> to September 16<sup>th</sup></b>

As we have done for the last few years, we will close one section of the facility at a time to paint and deep clean, while the rest of the Y remains open and operational. Our goal is for the YMCA to be closed for the least amount of time possible, in order to service the needs of our members.

Please find the planned schedule for the rest of the facility. However, please note that the schedule is subject to change at any time, with little or no advanced warning.
