Annual Campaign

Throughout the surrounding Morristown communities, countless people know about the Greater Morristown YMCA. But, there's so much more to our Y than one might think. From exercise to education, from aerobics to advocacy, from fitness to financial assistance, the Y doesn't just strengthen our bodies, it strengthens our minds and our communities. The Y is so much more than a gym. It's a cause - a cause dedicated to youth development, healthy living, and social responsibility. For 151 years, we've been proud to help our neighbors learn, grow, and thrive. Yet we're called to do so much more. Every day, our local communities face new challenges which create a greater need for the services we provide. Fortunately, where some see obstacles, we see opportunities for our members, volunteers, and staff to make a difference. But we need your philanthropic support to seize these opportunities. Angela's Place

6 Saddle Road Cedar Knolls, NJ
(Morris School District Preschool Expansion Program)

Angela's Place was named after Angela Lepore, a champion for the education of young children. A volunteer and contributor for many years, Angela was the loving wife of our long-time board member, Don Lepore. Opened in September 2020 for the 2020/2021 school year, Angela's Place is managed and operated by the Greater Morristown YMCA. A satellite extension of the Richard F. Blake Children's Center, located just around the corner, Angela's Place offers preschoolers ages 3-5 a top notch education in an 8,000 squarefoot environment.
