2 : 2023 ANNUAL CAMPAIGN

When you give to the Y, you continue to strengthen our community and move us forward as the nation's leading non-profit for youth development, healthy living, and social responsibility. The Y utilizes your gift to make a meaningful, enduring impact right in your own neighborhood. Every day, we work side-by-side with our neighbors to make sure that everyone, regardless of age, income or background, has the opportunity to learn, grow, and thrive. Whether it is childcare for a single parent, youth sports for a foster child, or after-school recreation for a teen, your donation to the Annual Campaign of 2023 makes significant difference in the lives of your neighbors. Your support strengthens the community by not only giving children the chance to shine today, but by helping them learn important values that will impact their lives and your community tomorrow.

Every year, the Greater Morristown YMCA provides more than \$300,000 in scholarship assistance. We are always looking for volunteers and donors to help us reach that goal.

Healthy U is a collaborative partnership between the New Jersey YMCA State Alliance and the Horizon Foundation for New Jersey, a division of Blue Cross/Blue Shield. The program's goal is to combat childhood obesity in children ages 3-13 through nutrition education, physical education and family involvement. The program utilizes C.A.T.C.H. (Coordinated Approach To Child Health) curriculum to promote physical activity and good nutrition while showing kids that eating healthy and being physically active every day can be fun. Since 2008, the Horizon Foundation for New Jersey has invested \$3.45 million in the Healthy U initiative. The Greater Morristown YMCA utilizes Healthy U at our child care centers and before and after school programs. Visit <http://www.njymca.org/main/healthy-u/> for more information.

Angela's Place @ 6 Saddle Road Cedar Knolls, NJ (A Morris School District Preschool Expansion Program)

Angela's Place was named after Angela Lepore, a champion for the education of young children. A volunteer and contributor for many years, Angela was the loving wife of our long-time Board Chairman, Don Lepore. Opened in September 2020 for the 2020/2021 school year, Angela's Place is managed and operated by the Greater Morristown YMCA. A satellite extension of the Richard F. Blake Children's Center, located just around the corner, Angela's Place offers preschoolers ages 3-5 a top notch education in an 8,000 squarefoot environment. Angela's Place is a result of a partnership between the Greater Morristown YMCA and the Morris School District (Morristown / Morris Township) to offer FREE preschool for eligible 3 and 4 year olds residing in either Morristown or Morris Township.

Center Highlights:

- Three preschool classes
- Certified P-3 teacher in all classes

16 : SPECIALTY WELLNESS INFORMATION

WELLNESS INFORMATION FOR THOSE WITH CHRONIC DISEASES

Parkinson's Wellness:

We are learning every day that there are ways in which people with Parkinson's disease can enhance their daily quality of life and even build power, strength, and flexibility with exercise.

P.E.P for Wellness is designed to empower those living with Parkinson's disease and other chronic diseases. This program is designed to optimize physical function and help delay the progression of symptoms.

We are striving to aide in enhancing daily quality of life by building power, strength, flexibility, balance, and gait.

NOTE: Participants can use chairs for support, if necessary, and increase the weight they use for strength training at their own pace

You might ask...Which types of exercise are best for Parkinson's?

Aerobic – e.g. brisk walking, stationary cycling – activities that get the heart pumping.

Strengthening – e.g. using weights or resistance bands- to improve muscle strength.

Balance and flexibility – e.g. boxing, yoga, chair yoga – exercises that help you be more steady on your feet.

We have many classes on the fitness schedule that you can participate in to help you feel and function better.

Healthy Heart Wellness:

What happens after cardiac rehab? After you complete your last cardiac rehab session you move to your final phase of cardiac rehabilitation: independent and ongoing conditioning. If you have participated in the previous phases of your rehab you should have excellent knowledge about your specific condition, risk factors and strategies to maintain heart health. Independent exercise and conditioning are essential to maintaining optimal health and preventing possible future cardiac problems. Starting small and steadily building your program over time will help to set you up for success.

We offer a variety of classes and programs that can help keep your workouts from being the same every time. A group setting is also a great way to hold yourself accountable while exercising.

Not Comfortable In a Group Setting?

We offer one-on-one personal training with one of our certified Personal Trainers. Trainers can help you become familiar with equipment, design specific workout routines, and monitor your blood pressure. Working one-on-one might reduce anxiety, improve confidence and prepare you to set realistic goals while getting back to exercise in a safe way.

Multiple Sclerosis Wellness:

People with Multiple Sclerosis can exercise. With some of the common symptoms of MS, such as fatigue and declining strength and coordination, it may make the prospect of exercise daunting. Studies show that the benefits of exercise far outweigh the challenges if you have MS – as long as you remember that moderation is essential.

The best MS exercises are aerobic exercises, progressive strength training, balance training, and stretching.

Exercise can improve your fitness, endurance, and strength in your arms and legs and can give your mood a boost. Anyone with MS can modify an exercise routine to meet his or her needs. Just remember to work within your range of ability and not to overdo it. We offer a variety of classes that may help to create a routine that fits your capabilities and schedule.

Lo Impact Aerobics: Lo Impact aerobics are dynamic exercises that increase the heart rate. This form of exercise is especially good for improving lung capacity, strengthening core muscles, and improving balance, and coordination.

Additionally, using equipment like the Recumbent bikes and Nu Step may assist those with limited mobility to perform high repetition exercises to improve lost motor skills.

Water Aerobics: Water aerobics is both aerobic and resistance training exercise. You can raise your heart rate due to constant motion, but the water is a force for you to work against, providing resistance and the buoyancy makes it easier for you to move. Water aerobics is one of the best exercises an individual with MS can do.

Progressive Strength Training: Progressive Strength Training can improve muscle strength, posture, and balance. During a progressive strength training program, people start with light weights and minimal repetitions. They slowly increase the amount of weight or the number of repetitions as they build more muscle over time. This can help prevent overworking of the muscles, which can result in worsening symptoms.

Balance Training: Balance training involves performing exercises that will focus on controlling your posture. Practicing balance exercises is crucial in order to help reduce the possibility of falls.

Yoga: Yoga combines breath and movement. A gentle type class is wonderful for stretching. Doing some form of yoga daily can help improve balance, range of motion, and help with muscle spasms.

It is a great game for all ages and abilities and provides a cardio workout, as well as balance and eye-hand coordination training. The Pickleball group at the Y enjoys the social benefits and friendly competition.

YMCA FACILITIES OVERVIEW : 21

THE GREATER MORRISTOWN YMCA

The Greater Morristown YMCA owns and/or operates over six locations in the surrounding Morristown area. Here is an “at-a-glance view” – you will see that we are not just a “gym and swim!”

The Greater Morristown YMCA can trace its beginnings all the way back to 1874 when our founding Fathers, Dr. Frederick Owen and Rev. Thomas E. Souper had a vision for the young men of Morristown, to “have the men do great things through concentrated actions instead of be lured by evil.” Their first meeting was held at the Baptist Church, located at the corner of Park and Speedwell on the Green, January 2, 1874. On January 14, 1881, the first home of the Greater Morristown YMCA was purchased at the Woods Estate on Park Place in the center of Morristown. Only open to men at this time, it changed in 1893 when Mrs. Jacob L. Sutplen founded the Ladies Auxiliary which consisted of several active women who raised over \$30,000 for the new facility. Over the years, the YMCA has had many different homes throughout the area, and in November, 1981, we opened our doors at our current location at 79 Horsehill Road. In the 41 years since we’ve been here, we’ve undergone many upgrades and renovations, most of them extensive, but necessary. With over 48,000 square feet of space, there’s always something to renovate or upgrade!

Top photo: our beautiful main YMCA building! Our major renovation, designed by Nancy Dougherty (Studio 1200).

THE ARMOUR FAMILY Y-ZONE YOUTH ANNEX

The Y-Zone Youth Annex is a 6,000 square foot facility that opened in April 2016. Located on three beautiful acres on a cul-de-sac, this facility was built to accommodate our burgeoning camp program which for over 30 years had taken place on the blacktop behind the YMCA. Over 500 campers enjoy two large multi-purpose rooms, a basketball gym, and a large field to play on every summer season. In addition to their activities at the Y-Zone, the campers also enjoy swimming at the YMCA, field trips, and taking STEM, cooking, and art lessons at our facility located at 6 Saddle Road, which houses Angela’s Place school during the school year. This enhanced camp program is one of the best values around and the children love it! During the school year, the Y-Zone is home to our Youth Basketball Association (YBA), various classes and seminars, and a variety of other functions!

22 : YMCA FACILITIES OVERVIEW

THE MARTIN F. HELLER BUILDING AT 6 SADDLE ROAD, CEDAR KNOLLS, NJ

This facility is a 25,000 square foot building located at 6 Saddle Road. Purchased in 2017, this building houses our Administrative Staff and has 5 large multi-purpose rooms to upgrade and enhance our award-winning summer camp. We have a dedicated rooms for art, S.T.E.M., and an instructional kitchen where campers are taught the importance of healthy eating and learn quick and easy recipes they can recreate at home. Campers of all ages have thoroughly enjoyed the new enhanced camp program! There is also a movement room for days where the weather doesn't cooperate. The Y has 10,000 square feet of which houses our Administrative, camp, and Morris School District (Angela's Place) needs. The remaining 15,000 square feet houses Atlantic Health System's Rehabilitation Facility which relocated from the Mount Kemble Avenue location.

ANGELA'S PLACE AT 6 SADDLE ROAD (CEDAR KNOLLS, NJ)

A MORRIS SCHOOL DISTRICT PRESCHOOL EXPANSION PROGRAM

Angela's Place was named after Angela Lepore, a champion for the education of young children. A volunteer and contributor for many years, Angela was the loving wife of our long-time Board Chairman, Don Lepore. Both Angela and Don saw the rising need for childcare back in the 1980s when more and more women were heading back to the workforce and needed quality childcare.

Opened in September 2020 for the 2020/2021 school year, Angela's Place is managed and operated by The Greater Morristown YMCA. A satellite extension of The Richard F. Blake Children's Center, located just around the corner, Angela's Place offers preschoolers ages 3-5 a top notch education in an 8,000 square foot environment. Angela's Place is a result of a partnership between the Greater Morristown YMCA and the Morris School District (Morristown / Morris Township) to offer FREE preschool for eligible 3 and 4 year olds residing in either Morristown or Morris Township.

Angela's Place Highlights:

- Three preschool classes
- Certified P-3 teacher in all classes
- Follows the MSD school calendar (September - June)

Enrollment at Angela's Place is through the Morris School District and is awarded on a LOTTERY BASIS.
