MEET THE CAMP DIRECTOR:

Hello, YMCA Families! My name is Jason Magnetico, and I am the Camp Director at the Greater Morristown YMCA. I am truly looking forward to another great year of camp filled with fun, friendships, and meaningful experiences for our campers. Working with children and families is something I genuinely love, and it is a privilege to help create a safe, welcoming, and engaging environment where kids can grow, learn, and make lasting memories.

Whether you are returning to camp or joining us for the first time, I am excited to get to know your family and be part of an unforgettable summer at the YMCA.

OUR Y-ZONE CAMP STAFF:

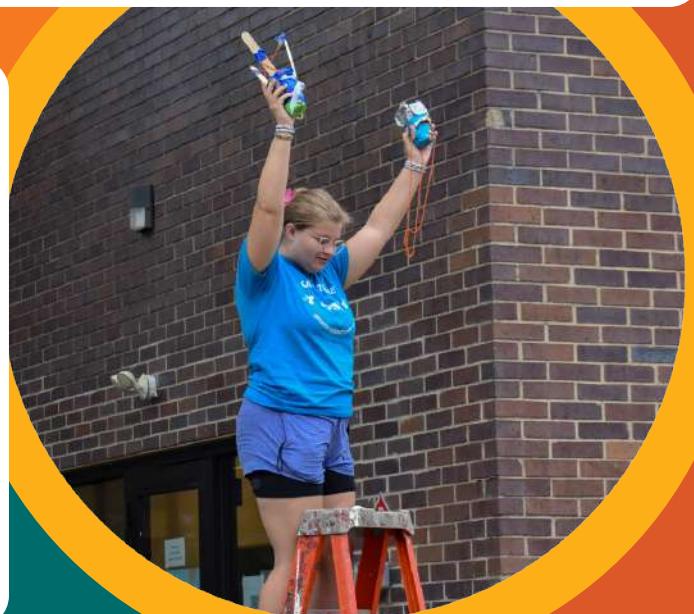

Staff are selected on the basis of their maturity, skill level and enthusiasm working with children. Many are camper alumni. Program Specialists are individuals with skills in their specific program areas including Art, Cooking and STEM. We are fortunate that this year most of our specialists are all teachers during the regular school year. Counselors are college and high school students, usually with previous camp or child care experience.

Y-ZONE CAMPERS (Grades 1-6)

Our philosophy is simple: put play in their day! Young campers are interested in fun, activities, exploring, laughing and making friends. At Camp Y-Zone we are interested in that too – plus safety, caring, learning, growing, and bringing out the best in your child. We've created the perfect blend in our Y-Zone Camp so your child will have fun all summer long.

ADDITIONAL INFORMATION

Camp T-Shirts (NEW PROCESS THIS YEAR!):

This summer, when registering for camp, you will be asked to select your child's T-shirt size. Each camper will receive one free camp T-shirt, which will be distributed during pick-up at the end of the first day of camp.

However, if you would like to purchase additional T-shirts for your camper, you will need to use the Camp Store link this year to place your order. Any extra shirts that are ordered two weeks before the first day of camp will be available for pickup at the end of the first day of camp.

The Camp Store will remain open throughout the camp season and offers a variety of items your camper may need for the summer.

To view the store and order any additional shirts or items please use this link: <https://y-zone.logoshop.com>

Please review the below list detailing what color shirt you should buy your child based on their grade in the Fall of 2026:

- 1st Grade - Grey
- 2nd Grade - Red
- 3rd Grade - Yellow
- 4th Grade - Blue
- 5th/6th Grade - Tie Dye

Communication During Camp Season:

All parent communication during the camp day will be handled directly by camp staff.

To speak to our camp staff during the camp day you can call us at the Y-Zone: 973.988.9199 (This number is not active until 1st day of camp). During the camp season you can also message us on ProCare (if the question/concern is time sensitive, we recommend calling the Y-Zone number provided as we are often busy with the campers and may not see your message in a timely manner).

Weekly Newsletters are sent each Friday afternoon with recaps of events and activities along with pictures of photo friendly campers.

ProCare:

Use your ProCare app to sign your camper(s) in and out.

ProCare (cont'd):

If someone other than a parent is going to pick up your camper(s), please let us know ahead of time even if the person is already an emergency contact. We will not allow any child to leave camp with an unauthorized person unless specified by the parent/guardian. We will need to know the name of the individual picking up ahead of the pickup time. Anyone that is authorized to pick up a camper must also be prepared to present an ID for verification.

A PIN number will be supplied (by Procare) for each authorized pick up person. Please provide anyone authorized for pickup with their OWN PIN number.

If you don't have an account, you will receive an email with a sign-up code allowing you to create one prior to the start of camp.

Please reach out to us if you have any questions or have not received an email to set up your account by Friday, June 19th so we can assist you before Monday, June 22nd (first day of camp).

Camp Paperwork:

Campers will not be allowed to attend camp until we receive a copy of their current Universal Health Form and Immunization records. State law requires that we have a complete medical health history for your child before they can attend camp. Forms must be signed and dated by your Pediatrician's office and sent by June 1st to: j.magnetico@morristownymca.org. This will be strictly enforced.

If forms are not received by June 1st, there will be a \$100 fee for late processing.

The Universal Health Form must be valid for the whole duration your child is at camp (the Universal Health Form must be dated within 365 days of your child's birthday).

All incident/accident reports MUST be reviewed/signed off by a parent on the day that the event occurs. For incidents / accidents, you will be notified either through your ProCare account messages, or a camp supervisor will call you.

If your child attends our Y-Kids Before or After School care program, you will still need to submit all the requested health documentation as Y-Zone Camp is a separate program (forms are kept on site at each program location).

ADDITIONAL INFORMATION (CONT'D)

Absences:

If your child is sick or unable to attend their scheduled day for any reason, refunds will NOT be given, nor will make-up days be allowed. When you register your child for camp, you reserve the space, staff, and other amenities for your child whether your child attends camp or not.

Field Trips:

Field trips for 1st and 2nd grades are planned for Tuesdays, while 3rd through 6th grades will have their field trips on Wednesdays. If you prefer that your child not attend a scheduled field trip, please ensure you arrange alternative childcare. Keep this in mind when selecting your registration options. Additionally, your child must arrive at camp by 9am in order to catch the transportation to the field trip. If your child is late to the field trip departure, they cannot attend camp and you must ensure you arrange alternative childcare. Please note the field trip schedule is subject to change.

Electives:

Each week campers will have the opportunity to enjoy specialized electives like: Art, Cooking, STEM, and other structured physical activities. These electives are led by specially trained camp staff to ensure maximum enrichment opportunities and are included in the weekly rate.

Allergies:

If your child has allergies, asthma, or other needs that require us to have medication, Epi-Pen or inhaler, we need this medication in its original box along with a current action plan for its use by the first day of camp. All documentation and medication must be handed to a member of the Camp Admin Team at the Y-Zone. Medication must be picked up at the end of camp. Any remaining medication will be disposed of after September 1st.

What Not to Bring:

Campers are advised not to bring any items of monetary or sentimental value including personal items such as cell phones, smart watches, tablets, Pokémon trading cards, toys, toy guns, jewelry, etc. The Greater Morristown YMCA is not responsible for lost, stolen, or broken items.

Lice Policy:

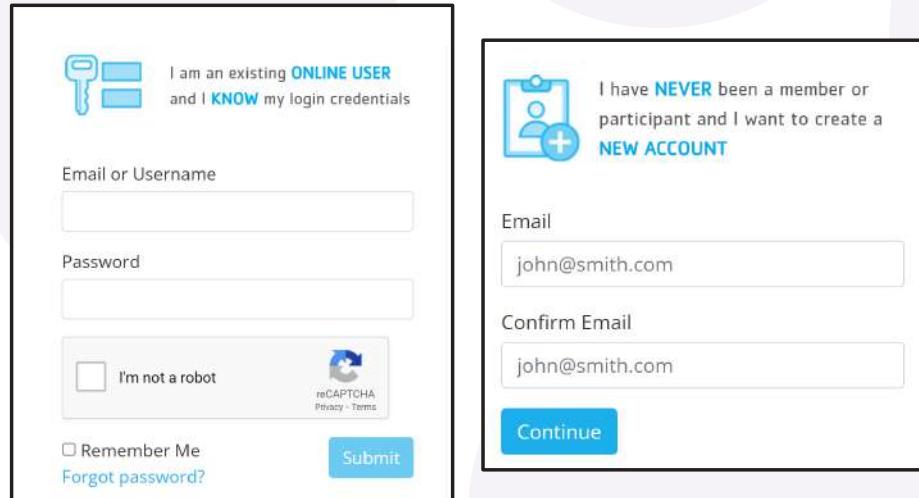

If it is determined that your child has contracted lice, he/she will be sent home immediately and will not be allowed to return until they are nit and lice free. Should you seek professional lice removal services treatments, your child may return after 24 hours with a note from the treatment company stating they are nit and lice free. For those children who do not receive professional treatment services, they will be rechecked at camp prior to being allowed to return.
