Annual Campaign

Throughout the surrounding Morristown communities, countless people know about the Greater Morristown YMCA. But, there's so much more to our Y than one might think. From exercise to education, from aerobics to advocacy, from fitness to financial assistance, the Y doesn't just strengthen our bodies, it strengthens our minds and our communities. The Y is so much more than a gym. It's a cause - a cause dedicated to youth development, healthy living, and social responsibility. For 151 years, we've been proud to help our neighbors learn, grow, and thrive. Yet we're called to do so much more. Every day, our local communities face new challenges which create a greater need for the services we provide. Fortunately, where some see obstacles, we see opportunities for our members, volunteers, and staff to make a difference. But we need your philanthropic support to seize these opportunities. Join us in keeping our mission going for another 151 years and donate today!

Angela's Place

6 Saddle Road Cedar Knolls, NJ

Angela's Place was named after Angela Lepore, a champion for the education of young children. A volunteer and contributor for many years, Angela was the loving wife of our long-time board member, Don Lepore. LOW IMPACT CLASSES

CHAIR YOGA: A gentle form of yoga that is practiced sitting on a chair, or standing using a chair for support. Seated and standing postures are designed to increase flexibility, balance, and range of movement. Restorative breathing exercises and final relaxation will promote stress reduction and mental clarity.

EASY RIDER SPIN: A spin class but the cycling ride is designed to be relaxed and low intensity.

FLOOR, CORE, & MORE: This mat class focuses on strengthening the core and the small muscle groups. Balls, blocks, and light weights are incorporated along with flow movements to improve joint mobility and total body fitness. Finish with fifteen minutes of focused stretching for increased flexibility. This multi-level class is simple enough for beginners and can be intensified for the very fit.

LINE DANCING: A choreographed dance in which a group of people dance along to repeating sequence of steps while arranged in one or more lines or rows.

LOW IMPACT CARDIO/CORE: Basic cardio / core / strength class that is not hard on the body, especially the joints, and can be a great way to get in a heart-pumping workout while reducing the risk of injury.

PILATES: A system of exercises designed to improve strength, flexibility, posture, and enhance mental awareness. Classes help create a leaner, stronger look.

PILATES BARRE: Combines the practice of Pilates and Yoga to help you build strength, lose weight, and increase flexibility.

PIYO: Combines the muscle-sculpting, core-firming benefits of Pilates with the strength and flexibility benefits of yoga. It's a true fat-burning, low-impact program that'll get you incredibly defined.

POWER YOGA: Power yoga is a general term used to describe a vigorous, fitness-based approach to vinyasa style Yoga with its emphasis on strength and flexibility.

YOGA: Spiritual and ascetic discipline, including breath control, simple meditation, and the adoption of specific bodily postures, is widely practiced for health and relaxation.

VINYASA YOGA: Vinyasa is an approach to yoga in which you move from one pose directly into the next. There's a flow to a Vinyasa yoga session, though the specific poses and the pace of the flow vary.

Please feel free to view the schedule on our website, or pick up a paper schedule at the Member Services Desk.

Class Cancellation and Refund Policy:

The YMCA reserves the right to cancel a class and to make schedule changes when necessary. We reserve the right to cancel a class if the minimum number of participants has not been reached. It is only under these circumstances that a refund or credit will be issued for a paid class. Credits will expire one year from issue.

FITNESS INFORMATION

Here are some tips from our Fitness Director to help you start your fitness journey in the New Year:

A great way to kick things off is by setting realistic goals. Start small, choose activities you enjoy, and prioritize proper form to prevent injuries. Consistency is key, and always listen to your body—don't forget to schedule rest days!

The 28-Day Rule: This rule suggests it typically takes 21 to 28 days to form a new habit. The first few weeks may be challenging, but once you push through, the activity can become a regular part of your routine.

Start Small and Build Up: Avoid overdoing it at first. Begin with shorter workouts and gradually increase the duration and intensity as you improve.

Set Achievable Goals: Make your goals specific, measurable, and realistic to prevent feeling overwhelmed.

Find Enjoyable Activities: Choose workouts you love—walking, running, dancing, yoga, Pilates, etc. This will help make exercise a sustainable habit.

Create a Schedule: Dedicate specific times in your day for exercise, and try to stick to that time as consistently as possible.

Consider a Workout Buddy: Exercising with a friend or partner can provide extra motivation and accountability.

Listen to Your Body: Pay attention to how your body feels and take rest days when needed. Giving yourself time to recover helps reduce soreness and fatigue, allowing you to put in more effort during your next workout.

Warm Up and Cool Down: Always include proper warm-up and cool-down stretches before and after your workouts. Stretching is crucial for several reasons:

- **Injury Prevention:** Increases flexibility and reduces the risk of muscle tears.
- **Improved Performance:** Enhances your physical performance and athletic ability.
- **Increased Range of Motion:** Helps your joints move through their full range of motion.
- **Improved Blood Flow:** Increases circulation to your muscles, prepping your body for activity.
- **Reduced Stiffness:** Alleviates feelings of stiffness and muscle soreness.

It is with deep and profound sadness that The Greater Morristown YMCA announces the passing of beloved board member and Chairman Frank Giannantonio.

Frank, beloved husband, father, and grandfather, passed away on October 26, 2024, surrounded by his loving family.

Born on October 16, 1945, to Nicholas and Louise Giannantonio in Palisades Park, NJ, he grew up with his sister, Dolores. Frank earned his undergraduate degree from Rutgers University and a Master's from NYU.

A renowned Information Systems Executive, Frank served as CIO for Victoria's Secret and Lands' End, notably leading the online launch of Victoria's Secret. He later transformed digital strategies for private equity-backed companies, achieving successful exits.

An avid sports fan, Frank developed a love for golf after hitting a hole-in-one during a round with his wife, who also scored one that day. He enjoyed watching the NY Yankees and NY Giants and contributed to his community by helping establish a youth soccer league, coaching, and serving as Chairman of the Greater Morristown YMCA.

Frank is survived by his wife of 56 years, Evelyne, and children Daryl (Joerg), Craig (Erin), and Kerry. He is also missed by his grandchildren Vivienne and Luke, sister Dolores, and niece and nephews. He will be greatly missed.
