8/22/25

Dear Members,

We hope you are enjoying your summer! As hard as it is to believe, our annual facility shutdown is quickly approaching, and we want to ensure you are well-informed about what to expect.

The YMCA facility will close at 6pm **on Friday, August 29th, 2025** and will re-open at 6am on **Tuesday, September 2nd, 2025**.

The whirlpool will be closed **Thursday, August 28th**, and will reopen on **Sunday, September 7th, 2025**.

The pool and steam room will be **closed starting at 6pm on Friday, August 29th and will reopen on Sunday, September 7th, 2025**. During this time, we will replace the aging pool heater and conduct a thorough cleaning of the whirlpool, steam room, and pool deck.

As in past years, we will close one section of the facility at a time for painting and deep cleaning, while keeping the rest of the YMCA open. Our goal is to minimize disruptions and limit closures as much as possible, so we can continue to meet the needs of our members.

Below, you will find the planned schedule for the remainder of the facility. ***Please note that this schedule is subject to change at any time, with little or no advanced notice.***
